

10-15-19

Dear Families,

I hope you all had a great long weekend!

This note is to let you know that tomorrow is picture day. Students may dress for pictures and not wear their uniforms. Our picture time is in the morning. Students may change back into their uniforms after pictures if they choose, but they may also keep their picture clothes on. They may not bring other dress down clothes to change into.

One other note of importance is for conferences. Please watch for a sign-up genius to come out later this week (if I can get it to work), so that you may sign up for a conference time that works for you. There will be times during the school day and after school times as well.

Please let me know if you have any questions or if you want to meet before report card time.

Thank you for your continued support!

Sue Cleary
